In Recognition of the 55th Anniversary of Al-Anon and Alateen, Key Source of Support and Hope for Families

Hon. Jim Ramstad
of Minnesota

In the U.S. House of Representatives

Mr. Speaker, this month marks the 55th anniversary of Al-Anon Family Groups. As co-chair of the *Addiction, Treatment and Recovery Caucus*, I want to recognize the tremendous work of this dedicated organization.

For over half a century, Al-Anon and Alateen have been a key source of support and hope for families and friends of alcoholics and addicts all over the world, with over 26,000 groups in 115 different countries.

Policymakers often focus attention on the individual with chemical addiction and forget or underestimate how devastating a loved one's disease can be on friends and family members.

Thankfully, Al-Anon and Alateen have never forgotten and are always there whenever a hurting person reaches out for help. We owe a tremendous debt of gratitude to Al-Anon and Alateen.

This month not only marks the 55th anniversary of Al-Anon, it is also the 17th annual National Alcohol and Drug Addiction Recovery Month. As we celebrate the promise and possibility of recovery this month, we must also remember the loved ones impacted by this devastating disease. As the chemical dependency professionals tell us, chemical addiction is truly a "family disease."

Thanks to Al-Anon, these individuals have a place to go where they can find hope and support. For that we owe this wonderful organization and all of its members our support and gratitude for 55 years of dedicated service.

Thank you, Mr. Speaker, and thank you, Al-Anon and Alateen.
